Dear Parents

Greetings!

Summer Vacation is the best time to explore and create memories and acquire new skills. To create a well-rounded holiday experience and engage our young ones in some creative work, we have put together some interesting activities which the children will enjoy doing. We want our children to have a joyful and experiential learning

Summer Holidays is the time for students to relax. Students are also filled with the enthusiasm to explore, travel and learn. Besides relaxing the students should keep in mind the execution of the assigned work in a well-planned manner. C.B.S.E has also assigned some activities under, **'BEAT THE HEAT'** to motivate the students to understand the current situation of our environment through their creativity, with some alluring cash prizes (Rs.10,000/-, Rs.5,000/-, Rs.3000/- and Rs.1000/- each respectively). For details kindly go through the <https://ndma.gov.in/> and at MyGov platform i.e. <https://www.mygov.in/home/do> and <https://www.mygov.in/task/poster-making-competition-beat-heat/> and <https://www.mygov.in/task/essay-writing-competition-my-preparedness-heat-wave/>. You are requested to encourage your ward to spend the summer holidays usefully and productively with activities such as reading, writing, attending summer camps and developing their talents and keeping themselves occupied with various hobbies of interest.

Holiday HW has been given to the students in the class and is also available on the school website. We encourage you to support your child with their holiday homework.

- Please ensure that they have a quiet place to study, with minimal distractions.
- We also recommend that you check in on them periodically, to ensure that they are progressing as expected.
- We appreciate your cooperation and support in this matter
- You are requested to take out the printouts of the assignments wherever required.
- Kindly ensure that your ward complete the holiday homework and submit it by July 4, 5 & 6, 2024 positively.
